Kids LOVE This!

By Sandy Reitmeier-Coolen

To facilitate walking to the door in an orderly fashion, we use this activity. On the piano, I play a familiar song in a minor key, e.g., "*The Farmer in the Dell*" lowering the third of the scale. Different words are inserted:

If you have an E in your name,
If you have an E in your name,
Heigh ho the derry-o
Walk to the door.
